WITH LOVE FROM COPENHAGEN

At UMAGE, our designers take inspiration from the distinct nature of the Nordic landscape to create unique designs related to the way we live in an urban setting. Influenced by the design language, colours and materials found around us in Scandinavia, we create a collection that is rooted in our home but designed for everyone.

Versatile, flexible and multifunctional, our designs are created to enhance an urban lifestyle in smaller spaces!

ENGLISH

IMPORTANT! Always shut off the power to the circuit before starting installation work. In some countries, electrical installation work may only be carried out by an authorised electrical contractor. Contact your local electricity authority for advice.

Different wall materials require different types of screws. Always choose screws that are specially suited to the materials of your walls.
